ECO407

Continuous TDS Indicator

This continuous indicator is designed for easy maintenance, simple to read, accurate readings and cost effective purpose, so to meet the general requirements of all range of users.

	ECO407
Range	0 to 1990 ppm
Resolution	10 ppm
Accuracy	± 2% Full Scale
TDS factor	approax. 0.7
Calibration	manual, single point, through trimmer
Temperature Compensation	automatic
Probe	AD7634
Environment	0 to 50 °C, 95% RH max
Power supply	external, 12V DC adapter
Dimensions	120 x 134 x 54 mm
Weight	approax. 300 g
